

## CIRCLE ON CAVILL CHECK-IN MEETING PLACE

1. Contact Apartment Stay Staff to confirm your arrival time once you arrive at the local airport if flying in, and again 30 minutes prior to reaching the resort.

2. If you are driving, you will need to park your car briefly in the Circle on Cavill driveway in front of the two towers. There is a flight of stairs between the two towers leading up to the Retail area. Walk up these stairs and meet our check in person outside Poke California Store.

3. Contact Apartment Stay Staff to let them know that you have arrived at the meeting point, the Apartment Stay Staff member will then come and meet/greet you and take you up to your apartment to check you in, and then will show you where to park your car.
